

Wilson and I continue to travel visiting supporting churches, individual supporters, family and friends in FL, IL, MO, TX, AL, SC, NC and TN. It's so awesome to connect with each of you and we look forward to seeing many more. The weather has been amazing (although we pray constantly for rain for the farmers!), the roads have been smooth with little to no congestion and the fellowship couldn't be sweeter.

This past month God has given victories and many blessings. He answered two more of our prayers concerning our move to Benjamin Constant. He allowed us to find a home shortly before we left Brazil and just recently we received word that a missionary couple who is already living in Benjamin was approved to partner with us in the flight ministries.

**Ben and Jessica Celebrating Life's Accomplishments!**

Jessica graduated from the College of the Ozarks in nursing on Mother's Day. The second week of June she took the state boards nursing exam and **PASSED!** We praise and thank God for Jessica's faithfulness in her studies and for God's faithfulness in seeing her through. She was recently hired at St. John's in Springfield, MO and will work evening shift five days a week in medical/surgical. Ben will continue his last year of studies at C of O in Physical Education and Math. They found a lovely apartment in Branson and plan to look into missions in the future.

The end of June was our highlight of the year. Jessica and Ben were married in Wichita, Kansas June 24<sup>th</sup> at 7:00 pm in the middle of a pine tree farm, surrounded by natural arrangements of wild flowers, with all the scents and sounds of a lovely, hot summer day. It was awesome to spend a whole week with all our kids and see family and friends at the wedding as well. Soon we hope to send a link with professional wedding pictures but wanted to share some of our special moments with you now...

**We loved making memories with all our "kids".**

*Wilson and I thank God for blessing us with the precious times we have shared with so many of you, with family, our kids and their spouses. We will cherish these times each and every day when we move to Benjamin Constant the end of 2012! It's such a comfort for us to know our kids are in God's hands. He is guiding them, guarding them and has given them such amazing life companions to walk life's journey side by side. Thank you for praying for us, for our kids and for the ministries in Brazil. Thank you for your faithfulness and joyful sacrifice in sending monthly support and actively helping us spread the Gospel throughout the Amazon. It's tremendous to know God has allowed us to walk life's journey together with you! We will continue to "be there" for you as well through love and prayers asking God to sustain you, bless you and give you His peace and direction.*

*Where does our journey take us next?... Wisconsin. Ready or not here we come!*

*Love and Hugs,
