

The KANNENBERGS... We are a FAMILY and that includes you!

Joshua & Leighann Brandon & Julie Ben & Jessica Wilson & Lori

God's family is awesome and we are so blessed to belong to His family together with you! Thank you for your love and prayers for each of us throughout the years. Thank you for encouraging us, allowing God to use you to sustain us and for blessing us with your friendship and fellowship. What a joy it is to know you, keep you in our hearts and prayers and spread God's Word throughout the Amazon together.

Our time in the USA is winding down. How amazing this journey has been visiting with so many of you, sharing and preaching each week, touching base with family and spending time with our "kids". God is giving us one more opportunity to see each of our kids and say good bye before we leave. That's the hard part... saying good bye to them and all of you! We praise God for this special time and will have countless memories to warm our hearts during the months and years ahead.

As soon as we return to Manaus, a small mission team will be coming from Operation Amazon to inaugurate the OA barge. We will use the barge and our mission boat to install water filters (which were funded by Mill Swamp Baptist Church, VA) in two entire river villages and share God's message of love and salvation in the homes.

PRAYER REQUESTS:

- For God to prepare hearts to receive His message in the villages and for safe boat travel.
- For God to help us prepare for the upcoming move to Benjamin Constant.
- To raise the necessary funds in September and November from Brazilian churches to relocate the plane to this new base and help cover initial ministry expenses for the first two years.
- Details and funds for our move.
- Wisdom to know how to set up and begin operating the new flight base and ministries.

*Sending you our love and prayers,
Wilson, Lori and Family*
