

As you see God has been moving and answering prayers and meeting needs. Here is an update of the list of needs we will be needing for initial costs to set up a mission flight base in Benjamin Constant on the borders of Peru, Columbia and Brazil. We are still working towards moving end of November. We just wanted you to know what God has already provided and thank you for all your prayers! There are just a few things left on this list. We also need to share with pastors in Manaus from various churches to see if they are willing to make a commitment to support the flight ministry monthly for 1 1/2 years phasing out when we are more on our feet. God is confirming once again that He is over this project through His provision and people. Thank you for allowing God to use you to bless us so abundantly!

In His service, Wilson and Lori

Needs for the Project in Benjamin Constante.

1- Expenses for the move by barge	\$ 3.000,00 OK
