

Happy New Year!

January 2016

Wilson and I want to thank everyone for the wonderful Christmas cards and greetings. It's always so special to know we are thought of and remembered during holiday seasons, especially since we are not able to be with any of our kids or grandson.

God gave us a special gift this year... spending time with Wilson's family in south Brazil after a very busy month of Christmas programs and activities at our church. Wilson's dad is incredibly positive and almost never complains, but his body is wearing out. He talks little, eats even less and needs help with the simplest of tasks. We aren't sure how much of our conversations he is able to follow, but he loves the Lord and radiates with joy to be surrounded with family. We are so thankful to be a part of it all. God has blessed us with amazing parents and it's our time to "be there" for them.

CELEBRATING FAMILY... *We had a wonderful time praising God in song, prayer and communion at Christmas followed by a delicious banquet with amazing desserts. What a joy welcoming Pedro Kannenberg into the family and congratulating his proud parents, Sarah and Jader. Now Oma and Opa (German for grandma and grandpa) have four great grandkids with two more on the way! We really missed our kids during the holidays, but God is faithful and allowed each one of them to celebrate Jesus' birth with family members as well.*

Here we are enjoying "afternoon tea" with family.

Happy Anniversary!

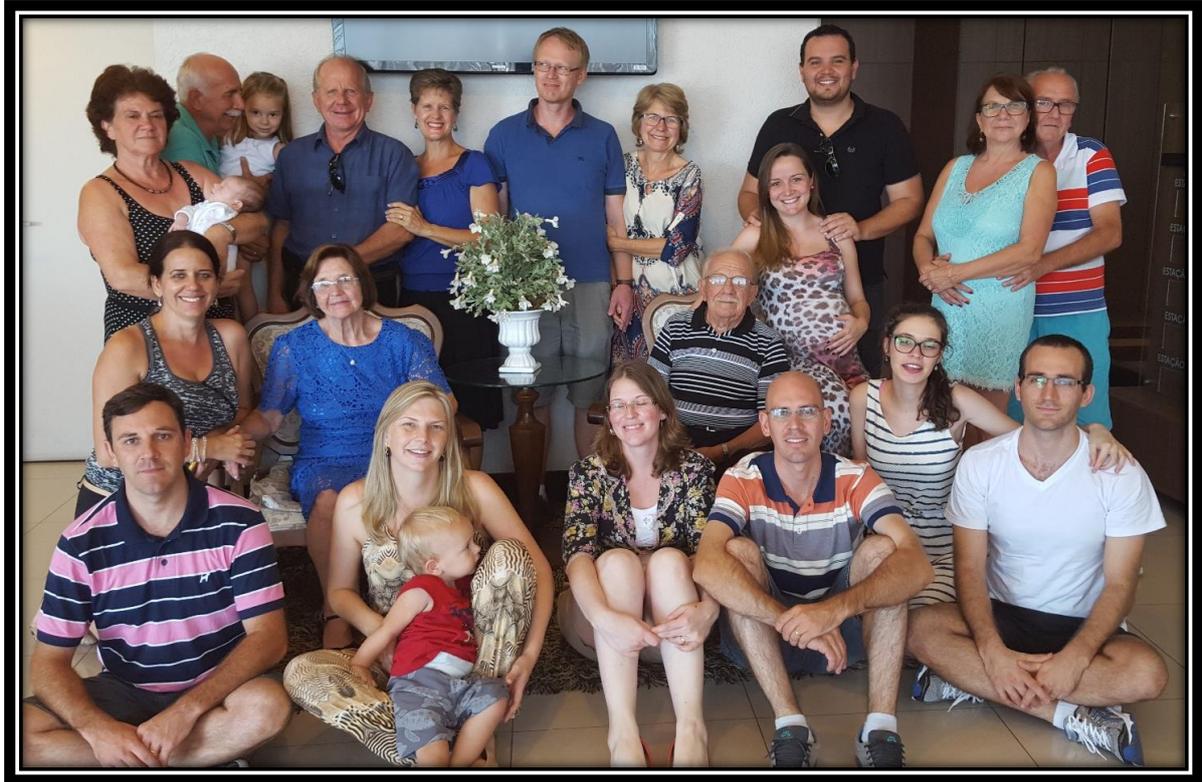

What an awesome time we had celebrating Udo and Iolanda Kannenberg's 65th wedding anniversary...

Mom and Dad, thank you for blessing us through your Godly examples! You have shown us that true joy and an abundant life comes when we put Christ first in our lives. Thank you for loving us unconditionally and giving us the BEST inheritance of all by showing us the way to Christ.

The Kannenberg Clan

Wilson and I celebrated our 32nd wedding anniversary the end of January as well. We are so blessed to have each other and have the privilege of reaching the unreached in the Amazon, Brazil! It was very hard to say goodbye to Wilson's family knowing that our next "reunion" with his dad may well be in heaven. ☹️ We praise the Lord for allowing us to have this most precious time with family and giving us so many amazing memories to cherish for always.

On our way back to Benjamin Constant on the triple borders of Brazil, Columbia and Peru, we met up with Ben, Jessica and Lucas. ☺️ (See us smiling once again?!) They will spend 20 days with us working with their mission team leader at a youth conference with a large Ticuna Indian tribe near town. They will also be visiting the area to see ministry needs and opportunities firsthand. They will be lead a youth activity in our church and participate actively in sharing the Word and their testimonies in town and the surrounding areas. Thank you so much for your prayers and partnership! God is answering your prayers and sending more workers to help us out. We are not getting any younger and we are so excited to be discipling others to carry out the Great Commission in the largest unreached people's group in south America!

All our love and hugs, Wilson and Lori
