

“Come, follow me,” Jesus said, “and I will make you fishers of men.” Mark 1:17

Many people from around the world travel to the Amazon to fish. The pirarucú in this picture is one of the largest and most delicious fish in the Amazon. God sends his children on a mission to “fish for men”... to “Go into all the world and preach the Gospel to all creation”. Wilson and I are so honored that he chose us to share the Good News of Jesus Christ throughout the Amazon! **By the way, Wilson says that they use this fish for bait (ha).**

The construction of the long-awaited church/seminary training center in Islândia, Peru is almost completely done and in full use. We are so thankful to YOU, our prayer warriors and ministry partners for allowing God to use you to help make this happen. Already at the beginning of the year, special services were held to dedicate this building and give an opportunity for three mission teams to minister to the church family there.

One of our biggest challenges is finding and training pastors to lead the churches we plant. Romans 10:14,14-15 says, **“And how can they believe in him (Jesus) if they have never heard about him? And how can they hear about him unless someone tells them? And how will anyone go and tell them without being sent?”** June 11th-25th the fourth seminary training module was held in the new facilities in Peru with the participation of more than 25 leaders. What a special blessing to have two teachers from the Bible seminary in Iquitos come and teach several of the classes.

Knowing God and making him known...

4th Seminary Training Module in Islândia, Peru

Wilson and I arrived in the USA June 9th and have been thoroughly enjoying some quality time with our kids and ministry partners these past few weeks. We are currently ministering in a supporting church in Virginia and will be heading to Wisconsin from the middle of July through the first week of August. We are looking forward to meeting up with several of you! 😊 If you want to get in touch us, our number is: **(414) 573-7322**. **God has blessed us so abundantly through YOU.**

Love and hugs, Wilson and Lori
