

“Sing to the Lord a new song; sing to the Lord, all the earth. Sing to the Lord, praise His name; proclaim His salvation day after day. Declare His glory among the nations, His marvelous deeds among all peoples.” Psalm 96:1-3

## Special Tribute:

Wilson and I have had the awesome privilege of visiting more supporting churches and ministry partners in Wisconsin during the month of July. Our visits have been both heart-warming and heartbreaking. We are all getting older and many are slowing down and having more health and mobility issues. God has called some of these dear friends and ministry partners, brothers and sisters in Christ, to their heavenly home. Although we rejoice in the fact that they are now in heaven, we MISS them! Just in the past two years **Ann Ashley, Dr. Harpster Wonder, Glen Coy and Dennis Gustafson** have received their crowns of glory. Such loving and faithful friends and prayer warriors. They were all dedicated servants of the Lord who had a passion for reaching the lost for Christ around the world. How hard it is to say “good-bye” and patiently wait for the day when we will be reunited with them rejoicing and celebrating the Lord of Lords for all of eternity!

Wilson and I want to thank each of our supporting churches for giving us the privilege and honor of sharing about the ministries on the triple borders of Brazil, Peru and Columbia and sometimes preaching the Word. We praise God for their obedience in seeking to reach the lost for Christ around the world and their commitment to

serve together with us bringing the Gospel message of Jesus Christ throughout the Amazon. We also praise and thank God for those who trusted in Christ as their personal Lord and Savior during the services. We

pray they will grow in God’s grace and seek to love, obey and follow Him the rest of their lives!

It’s been such an amazing time connecting with so many and doing a few crazy and fun things along the way. We’re sad we didn’t get to see everyone from our family, but are so thrilled for the ones we did get to see and still plan to visit...

It was fun living outside the box for a while, being a little crazy, adventuresome and spontaneous! 😊

Shortly we will be heading towards IL for a few days, MO and then on to TX for our last week in the USA. We praise God once again for blessing us with so many amazing moments and giving us oodles of precious memories. Thank you for upholding all our travels and visits with your faithful prayers and support, giving us such warm welcomes and for sharing your homes and lives with us along the way!

## Prayer is the Key!

One spark can set a forest on fire. So... let's be a SPARK 😊! God says: **“The effectual, fervent prayer of a righteous man availeth much.”** James 5:16b Our prayers make a difference. God hears each one and answers. Here are a few specific prayer needs:

1. Pray for travel safety as we slowly make our way from WI to TX.
2. Continue to pray for the organization and launching of the **“Adopt a Pastor”** program, one of the projects of **Families Without Borders**. This will enable ministry partners to support pastors of river communities throughout the Amazon, Brazil and Peru on a monthly basis to help provide funds for their ministries and families. We are currently working on all the details and pray we will be able to send more specific information on this soon.
3. Wilson and I want to thank you so much for your prayers and for the financial help towards the women's retreat from **THRIVE MINISTRIES** on October 21<sup>st</sup> – 25<sup>th</sup>. I have recently sent in the registration fee. We praise God for the money gifts we received which will cover most of the expenses. Our special thanks to those of you who helped make this possible! Continue to pray with us that God will go before me and prepare me for a time of spiritual growth and renewal.

Sending each of you our love, hugs and prayers,

Wilson and Lori
