

Life is filled with God's blessings!

April 2024

Wilson and I arrived back in Benjamin Constant the beginning of March, and to our delight, the Spicer family was at the port waiting for us. We were overjoyed to meet our newest grandson, Emmet! He is so content and cuddly. ☺ We hadn't seen the Spicer's for over 9 months due to both of our home assignments and Jessica's maternity leave. It was wonderful reconnecting with Ben, Jessica, Lucas, Chloe and Tomas, and getting to know 6-month-old Emmet. The kids were delighted to have a PJ party at Oma and Opa's house over the weekend.

After returning to Benjamin Constant, Wilson held meetings with pastor coordinators to evaluate ministries and establish agendas and goals for their churches for 2024. We have already been in touch with leaders from several mission teams coming down this year and are helping work out details of their trips to Brazil and the mission trips to river communities.

Wilson and I had the awesome privilege of spending the rest of the month of March in the USA to meet Aurora Grace, our newest granddaughter. We have been yearning and praying for the opportunity to meet her. She is an adorable, spunky, precious 5-month-old.

During our short stay in the USA (FL and TX), we had a wonderful, week-long visit with our daughter, Julie and her husband, Brandon, who together with Joshua and Leighann, blessed me with a couple of beautiful bouquets for my birthday ☺. One I can take home with me, and the other was delicious! This was my first birthday in the USA in years. It was awesome to celebrate Julie's birthday together with mine.

In FL, we spent a wonderful weekend with **Dennis and Cheryl**... long-time, dear friends and ministry partners. While in TX, we had the privilege of visiting **Darrel and Lee**, whom we served with for several years while in Manaus. They took us on a drive to see the beautiful TX blue bonnets. It was awesome fellowshipping together and hearing more about the life journeys of both of these couples. We are so thankful to the Lord for every opportunity he gives us to connect with others, bless, and be blessed and encouraged along the way.

This trip was an answer to our prayers and heart's desires. Most of our time is spent living very far away from family (except the Spicer's). We cherish each moment we can be together and BE FAMILY! We cherish our treasured memories with each one of you.

At the end of March, we were thrilled to get news from the church plant in Sao José. The youth were in charge of the service that Sunday. "Salt of the earth and Light of the world."

We are back in Benjamin Constant waiting to welcome a small team of leaders from Coastal Church in Virginia the third week of April. We are excited to help give them a vision of what God is doing in our region and visit church plants and minister in river communities.

Prayer Requests

Please pray together with us...

1. That God would use us, and the members of mission teams scheduled to come this year, as we evangelize and minister in river communities in the region.
2. For travel safety as we constantly navigate the rivers.
3. For God's wisdom and direction for administering leadership training modules and pastoral conferences in four different regions. (One in Brazil and three in Peru)
4. For coordination of and periodical visits to church plants
5. For opportunities to train Sunday School teachers, distribute Sunday School resources to those in need and continue to loan resources to local churches and schools from the Resource Library.

Our desire is to plant churches and provide pastors, leaders and teachers with training and resources to help people in remote river communities to KNOW God and make Him known. What a tremendous blessing it is to serve the Lord together with you throughout the Amazon!

All our love and hugs,
Wilson and Lori
