

Greetings once again from the triple borders of Brazil, Peru e Colombia!

April 2025

Before heading back to the Amazon, we took a trip with some of Wilson's family to see the Rancho Queimado area with its spectacular landscapes and attend a seminar at a Christian family retreat called: **Encontrão** or **Encounter**. It was a beautiful, edifying... a memorable day for all of us!

ENCONTRÃO/ENCOUNTER Family retreat

*I had a delightful morning at the beach with my totally amazing sisters-in-law and enjoyed a delicious lunch with mom and all the siblings!*

**We're back, ministering on the triple borders of Brazil, Peru e Colombia!**

**São João** Wilson and I and the Spicer family have been working on ministry projects and continue travelling throughout the Amazon to share the Good News of Jesus with the river communities throughout the Amazon. I (Lori) had a very bad cold when we arrived in Benjamin Constant and had to stay home the first week, but Wilson, Ben, Jéssica, Lucas, Chloe, Tomas and Emmet went to **São João** to take part in a special service for the anniversary of the church, which we founded and built seven years ago. Wilson had the honor of preaching God's Word. Through the years many have put their trust in Christ. We praise God for the victories He has given this community!

*Leaving Benjamin Constant at 3:00 in the afternoon and arriving in São João around 4:00.*

*What a wonderful time celebrating God's blessings. What an unforgettable evening!*

**Prayer Requests:** We are all excited to welcome a mission team from **Faith Bible Church, WI** the beginning of April to minister and construct a church in a Ticuna Indian community, as well as visit and minister in a couple of other river communities during their stay. Pray for safe travels, good health, that God would open doors and give us opportunities to work with all age groups. and allow each one of us to make a difference for Him! Shortly after this trip I hope to begin teaching the 8/week teacher training course: **THE DYNAMIC TEACHER** here in Benjamin Constant. Pray God will send teachers who are committed to teaching God's Word to children and for wisdom as I administer each seminar. We have other mission teams preparing to come and serve together with us as well.

Every trip, every ministry, every project, we not only sense God guiding our steps, pouring out wisdom, uplifting and upholding us, we feel your love and support throughout our daily activities and ministries. We know God is using your commitment and obedience to help us spread His Word and work as a team with us to accomplish His purposes! Wilson and I can't thank Him enough for YOU!

All our love and hugs,  
Wilson and Lori
