

Give Thanks! *It was awesome to end the year 2025 celebrating a late Thanksgiving with three missionary families and a single missionary. What a blessing to gather, share in sweet fellowship and reflect on God's goodness throughout the year. We praise God for family, friends and ministry partners like **YOU**... for your love and friendship, your prayers, your support and for your commitment to join forces with us to reach the lost throughout the Amazon for Christ!*

"Oh, give thanks to the LORD, for He is good; for His steadfast love endures forever!"

Heading South *A couple of days after our Thanksgiving celebration, Wilson and I flew to south Brazil to spend the holidays with family, stopping off in Manaus overnight on the way. Pr. Moises Melo and his wife Vania invited us to participate in their weekly service, broadcast on the Good News TV station. The flight was delayed so we drove straight to the station where the service was about to begin. Wilson had the special privilege of sharing the message and we had a powerful time praying over a group of young people that were present in the audience.*

Celebrating Jesus and the life we have in Him

*It's always special to have the opportunity to celebrate **JESUS** with Wilson's mom, siblings, nieces, nephews and families along with relatives and friends. This was the first time in many years that the entire Kannenberg Clan, minus our kids and grandkids, gathered to celebrate Christmas at "mom's" house. How precious it was to praise God in song, reflect on Jesus, the reason for the season, and enjoy delicious food and wonderful fellowship.*

Happy New Year! *Wilson and I will be visiting ministry partners and supporting churches during our time in south Brazil and have already been working on finishing the remodeling of mom's old house and cleaning up after all the construction.*

God is blessing us this year with a visit from our kids and grandkids the end of February, while we are still in the south! Joshua really wanted to celebrate his birthday in Brazil this year and both he and Leighann were thrilled when the doctors gave authorization for Aurora to come. She will meet the family for the first time!! Thank you so much for all your love and prayers for her. She is growing and lights up our lives with her smiles and delightful personality.

A new year is here, filled with new beginnings, challenges, goals and expectations. As you contemplate on what the future holds, remember...

"Seek his will in all you do, and he will show you which path to take". Proverbs 3:6
