

Celebrations

Wilson and I celebrated the New Year with family. As we praise God for our life in Christ every day, it's always special to celebrate the lives of loved all around us. Several family members had birthdays this month and we rejoice to see how God is using and blessing each one of them in so many ways.

Welcome home!

*January 12th, my brother **Jim** went to his heavenly home after battling health issues for many years. He was an amazing brother, friend, prayer warrior and ministry partner. He was a man of integrity... steadfast, true, humble and loving. Jim was 10 years older (and wiser), hard-working and 100% dedicated to his job, his family and most of all to the Lord. In high school, Jim earned the highest award, the Herald of Christ, in Boys Brigade. He received his Bachelor of Arts in Mathematics at Wheaton College, then served in the Army Finance Corps, earning several honors and the rank of Captain. Jim served the church faithfully throughout his life and was a Godly example to us all. He was an incredible violinist and soloist, praising God with his whole being every chance he got. Jim, I'm going to miss the bond we shared, the special talks, laughter and times connecting as brother and sister. How blessed we are to have had you in our lives, loving each other; sharing special times together and making a lifetime of precious memories! Our prayers are with the family as they rejoice in his homegoing and grieve all at the same time.*

Wilson and I have been working hard to finish the remodeling, last bits of construction and cleaning of the home where Wilson's mom lives. We are also preparing to receive all our kids and grandkids mid-February in south Brazil for a family reunion. Aurora will finally have the chance, Lord willing, to meet her great grandma and the rest of the Kannenberg Clan for the 1st time! Getting excited.

On the 21st of January, Wilson and I celebrated our wedding anniversary! It's so awesome to be married to your best earthly friend for 42 years and reflect on God's victories and blessings in our lives through the years. Wilson's parents married on the 20th of January, so we invited his mom to dine out and commemorate the 66 years they shared together before God took her husband home. It was special to have Wilson's brother Neri join us. A few days later we celebrated Roseli's birthday, Wilson's sister.

42nd Anniversary

Happy Birthday, Rosi

Ministering in Taíó, Santa Catarina

At the end of January, Wilson, Neri and I travelled to **Taíó, Santa Catarina**. We had an awesome time visiting with relatives, but were sad we forgot to take a picture of **Lothah, Ilca and Mateus**.

We also loved spending time with close friends; **Ingo, Jandira, Karen, José and Silvana!** Our special thanks to Ingo and Jandira who once again hosted us in their home for three days.

Spetacular view from José and Silvana's house.

It was a tremendous blessing to visit other brothers and sisters in Christ and share at Bible study group one evening about missions in the Amazon and God's plan for each one of us to reach the lost...

Prayer requests:

1. For God to use us as we preach and minister in churches and homes in the region.
2. Our kids, grandkids and two friends are coming to south Brazil mid-February. It's rare we all get to be together! Please pray with us for safe travel, good health and special times to connect with each other and the rest of the Kannenberg clan.
3. Pray that God will guide us as we establish our ministry agenda for 2026, which includes mission trips, planting new churches, church constructions, Leadership Training Conferences, Teacher Training, visits to church plants, etc. one of our mission teams will arrive in May and there are several other mission teams scheduled to come throughout the year.
4. **Praise:** The new barge/boat just arrived in Benjamin Constant! Pray for the last of the renovations to be finished by March.

This new year has started off with an important change regarding where to send our support and ministry funds. Other missions have had to make similar changes...
