

“But how can they call on him to save them unless they believe in him? And how can they believe in him if they have never heard about him? And how can they hear about him unless someone tells them? And how will anyone go and tell them without being sent? That is why the Scriptures say, “How beautiful are the feet of messengers who bring good news!” Rom.10:14-15

Wilson and I partner with missionaries from other organizations, like Ben and Jessica, who are with Pioneer mission. Recently, Pedro and Paulo, also from Pioneer mission, came for a short visit. They are Peruvian missionaries from Arequipa, Peru, who are checking into the possibility of using our mission boat/barge to minister to pastors in the region, with our partnership, teaching them about missions and how to establish mission ministries in their churches.

In our last update, we shared special times with our FAMILY. Family is important to us and to God! Reaching family with the gospel is presented in the Bible as our primary mission, often emphasizing that the home is the first mission field. Church planting is God’s way of reaching out to families around the world and we are thrilled we have the privilege of doing just that throughout the Amazon together with each of you!

## Ministering in churches in Iquitos, Indiana and Manzana, Peru

Last month, Wilson visited eight church plants in Peru, with Pr. Edgardo and Pr. Washington. They preached, visited and encouraged leaders and held administrative meetings.

Pastoral Visits together with:

Church in Iquitos (Kilometer 10)

Pr. Edgardo

Pr. Washington

The service at **Kilometer 10** was a tremendous blessing! We praise God for healing two people and saving a drunk man who came forward to give his life to Christ. Wilson shared how beautiful it was to see him crying and begging for Jesus to come in his heart and change him. They also prayed over one woman who was demon possessed and watched in awe as Jesus freed her from Satan’s grasp. The ladies in the congregation went to her house the following day to pray over her and her house.

Wilson holds services whenever he can during his travel... even on weekdays. In **Indiana**, five families were travelling upriver, but it was wonderful to worship God with those who could attend.

Church plant in Manzana, Peru

Before the church service in **Manzana**, Wilson and the pastors visited a man who was sick to pray for him. They shared the Gospel and he trusted in Christ as his Lord and Savior. The following day he was much better. Pastor Washington preached an evangelistic message that night. God moved in hearts. Several people gave their lives to Christ and others rededicated their lives to the Lord.

## **JESUS LIVES, JESUS SAVES!**

God is **ALIVE** and offers the miracle of salvation! **Wilson:** "A 78 yr. old, retired nurse in Iquitos invited us to hold a service in her home. Twelve people came and after I shared the Word with them, she accepted the Lord! She cried like a baby. It was so cute and nice. She was ready and cried for happiness. It was awesome!"

**Cabalo Cocha, Peru** Wilson relocated Pr. Dennis and his wife from Arequipa, Peru to Cabalo Cocha, where he was dedicated as the new Pastor of the central church and Pastor Coordinator of that region. He also consecrated and gave a special farewell to Pr. Joaquim and his wife who are being transferred to a church in Letícia, Colombia. There was no electricity that night, so they had a candlelight service! The electricity came on for five minutes in the middle of the service!

## Orellana, Peru

This is the new church in Orellana, Peru. They have been meeting for two months and currently borrow electricity from the neighbors!

We've been sharing for a long time about our newly remodeled barge/boat for mission trips, church planting and construction and so much more. It's almost ready for use. Here it is on the right!

**The mission BARGE**

While in Iquitos, Wilson once again worked on acquiring more legal documents for the church plants and for Family Without Borders International, Peru (not an easy task). He was very excited to be able to legalize a piece of land that was donated for a new church plant.

We are blessed to have you be an integral part of the ministries here! God tells us to “**Go and make disciples of all nations**”. God wants everyone to **KNOW Him and make Him KNOWN**. He wants to use us to help transform lives for His glory. Thank you for your prayers and partnership. They uphold us and make it possible for us to serve the Lord full-time and preach the Gospel throughout the Amazon. It’s awesome to have the privilege of declaring God’s glory and to witness how He uses all of His creation to declare His glory!
