

***“Therefore, go, and make disciples of all the nations,
baptizing them in the name of the Father and the Son and the Holy Spirit.***

Teach these new disciples to obey all the commands I have given you. Matthew 28:19,20^a

Go and make disciples! *One of our main ministry goals is to make disciples through leadership training, seminary modules, conferences, personal example, and first-hand experiences. The middle of April, Wilson prayed over **Pr. Maurilio**, one of his four pastor coordinators, his son, a missionary and two other pastors and sent them on a 5-day trip to disciple pastors and leaders of the church plants in the river communities of **Japón, Santa Teresa, Buen Suceso and San Sebastian do Camucheiro**. Wilson has been discipling this group of men several years. What a joy to watch God grow them and use them in obedience to the Great Commission!*

Santa Teresa

San Sebastian

Santa Luzia, Peru *The church in Santa Luzia, Peru held their first **Family Conference**, during which seven people were baptized. It was a very rainy weekend, but people still came to learn from God's Word. We praise the Lord for the two mission teams who helped us construct this church!*

Update on Mission Barge

Throughout the month of May, Wilson worked on finishing details on the newly remodeled mission barge, which included installing toilets, sinks, electricity, kitchen cupboards, pipes, etc., along with making sure there were no leaks in the roof! It will most likely be ready for use in July.

A Mother after God's own Heart

*I had the special privilege of giving the message at the Mother's Day program at Ben and Jessica's church in Benjamin, Constant and the church in Islândia, Peru. What a wonderful time of fellowship we shared! We had a great time serving together with **Abraão** that week, as he and his family trust God to show them a new field of ministry.*

Seminary Training

Please pray for Wilson and Ben as they prepare to teach seminary training modules to 70 Ticuna and Cocama pastors and leaders, the beginning of June. They will focus teaching a Biblical foundation from Genesis 1-12. Pray for safe travels for our team and the leaders arriving from other villages, good health, and wisdom. Wilson has asked the participants to bring food to help with conference costs, teaching them responsibility and involvement.

Happy Birthday Lucas!

It's hard to believe Lucas is 11yrs old! He is almost as tall as me (Lori) and continues to grow in his walk with the Lord. His activities include school, church, weekly Bible club, jiu-jitsu, soccer practice and mission trips. He loves Jesus, family, friends and being a big brother. We love you, Lucas! May God richly bless you throughout this new year in your life!

This is “Mama Jean.” God called her to His heavenly home recently and we already miss her! We have known Jean for over 40 years. She was an amazing mom and grandma, not only to her kids and grandkids, but to all who knew her. She was a true friend, prayer warrior, and faithful ministry partner. Jean was incredibly loving, caring, thoughtful, giving, and wise, besides being a fantastic cook... someone you could always count on to be there rooting for you through life’s journey! Her ready and radiant smiles and her joyful spirit blessed our hearts every time we visited. We loved her sense of humor, delightful personality, and winsome ways. Jean, you brightened our lives by being a shining light for Jesus and now you are in the presence of that light... JESUS! You will always hold a special place in our hearts!!

*Wilson and I and the Spicer family had the wonderful opportunity to spend one week getting to know and serve together with the **Rojek** family. God has called them to travel around the world to evangelize, serve and encourage missionaries and help with mission projects and ministries. What a tremendous blessing they were to us all! We loved all the hugs and times of sharing and caring!*

*We praise the Lord for each one of our ministry partners. Thank **YOU** loving us, upholding us in prayer, and trusting God to reach river communities throughout the Amazon for Christ!*

Love and hugs, Wilson and Lori
