

Family The month of August, God blessed Wilson and I with a special trip to the USA to take care of business and spend precious time with family, friends and a ministry partners. We had an amazing time with all our kids and grandkids at a 3-day family reunion. We count our blessings every day for each one and for the times we can play together, pray together, and enjoy being **FAMILY!**

Extended Family and Ministry Partners

During our stay, it was awesome visiting a few long-time friends and supporters in the southern states and celebrating Wilson's birthday together. We also had the wonderful opportunity to visit extended family. We met up with my sister Bonnie and brother-in-law Les in Michigan where we visited my brother Tom and his wife Verna. It's been a long time since we've had the chance to see Tom and Verna. They were missionaries for several years in Ecuador and Colorado. We love you all!

"You make known to me the path of life; you will fill me with joy in your presence, with eternal pleasures at your right hand". Psalm 16:11

Rivers United Church While in Virginia, Wilson and I were invited to a family breakfast for church leaders at **Pr. John and Marie's** house, where Wilson gave a devotional. We received lots of hugs and a warm welcome from the church family Sunday morning and were honored to share and preach. Over lunch, Wilson's birthday celebrations continued! How we love celebrating life in Christ with our **FOREVER FAMILY!**

Pastor John and Marie

The middle of August, Wilson and I were so sad to hear that our dear friends and ministry partners of many years, **Ben and Mona Crocker**, passed away just days apart from each other. They built a life centered on faith, family, hard work and adventure. We know them most for their passion for reaching the lost. It led them to Brazil where they visited for years and even lived for a while to reach a remote river community in the Amazon with the Gospel of Jesus Christ and help meet their needs. They also donated many speed boats so village pastors could carry out their ministries. Ben and Mona were instrumental in helping with the mission barge we use today. We celebrate their love for others and their faithful service in prayers, giving, and participating first-hand in missions outreach. They touched the lives of all who knew them with God's love, goodness and purpose. We are sad to temporarily say "good-bye" but **REJOICE** that they have finished the fight and received their crown of glory!

We are back in the Amazon region, preparing to conduct training courses for teachers and leaders and to hold our first retreat—called "**Encounter with God**"—with pastors and church leaders from Peru. We praise God that you are an integral part of our journey on the path of life God has set before us. Thank you for your love, friendship and encouragement along the way, and for your faithful prayers and partnership. What a JOY to be "one" in Christ and journey through life together!

All our love and hugs! Wilson and Lori
