Welcome to the Amazon! *October 2026*

God is at work!

Last month, Wilson oversaw the remodeling, reinforcement, and painting of the mission barge/boat and did two test runs to learn how to maneuver it and see how much diesel it consumes. He also has been finalizing the documents. Wilson has also been preparing for the God Encounter Retreat at the end of November in Iquitos and the "Pre" Encounter seminars that will take place in all the participating church plants in Peru before the retreat. In between these activities, Wilson loves having the privilege of visiting and preaching at the church plants…

Church service in Islândia, Peru

Mission Barge

The Dynamic Teacher

After a few weeks of preparation, teachers from the river communities of Benjamin Constant, Santa Luzia, Brazil, and Islândia, Peru arrived at our home full of enthusiasm to begin the two-month teacher-training course: ***The Dynamic Teacher****. Representing ten different churches and six different church denominations. They are excited to learn how to teach children God's truths. During our first and second classes, we learned about qualifications and qualities of a good Bible teacher, goals, and the meaning of Salvation.*

*God gave each one of us special **GIFTS**! One of them is the gift of* TEACHING. *I teach by **DOING**. The teachers love to participate in class activities.*

Let the journey begin!

Praise and Prayer: *Wilson and I praise God for every prayer ushered, every support gift sent for us and the ministries and for all the other ways you serve together with us and show us God's love and care! Please continue to Pray with us for the **GOD ENCOUNTER** retreat the third week of November, for the pre-encounter sessions with the pastors and leaders and the **TEACHER TRAINING** course these next two months. It rained hard during the second class and only half of the teachers came (by motorcycle and simple canoes). Pray for clear weather, for God to open hearts and transform lives and for direction for Wilson and I as we prepared the seminars.*

All our love and hugs, Wilson and Lori
