THE DYNAMIC TEACHER

*Last month, I (Lori) continued training teachers to evangelize and teach the Word of God to children. This month, we covered **Children's Evangelism**, **Teaching Methods**, **how to Maintain Order in the classroom**, and **how to Prepare a Lesson Plan**. Some churches here do not have curriculum. This training helps them prepare excellent lessons and Bible-based activities. In the seventh week, **the teachers took a written exam** covering everything they had learned and then took a practical test **working in groups to develop a lesson plan tailored to a specific age group**. In every session, they learn new songs and teaching methods, in addition to participating in various other activities. In November, we will celebrate these teachers' achievements at a graduation ceremony.*

"God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another." **Peter 4:10**

LEARNING BY DOING!

In Christ, I am a New Creation!

"Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new." 2 Corinthians 5:17

On Children's Day, I was invited to be the guest speaker for the children's program at a church here in town. It was a wonderful privilege to share with these children how God transforms the hearts and lives of all those who repent of their sins and trust in Jesus as their Lord and Savior. I praise God for answered prayers… the children were very attentive during the lesson, and some of the older children placed their faith in Christ!

Wilson and I were so excited to welcome our niece, ***Clêssia****, and her husband,* ***Edi****, at the port of* ***Benjamin Constant*** *in mid-October. They stayed with us for a week and then traveled with Wilson to* ***Iquitos*** *for the* ***"Encounter with God"*** *retreat, where they will be teaching seminars for both men and women.*

We would all like to thank you for your faithful prayers for the retreat throughout the weeks of preparation and prayers for good health, safe travel, and God's guidance. Wilson and I do not want to merely plan projects; rather, we want to truly see people as souls in need of a Savior and help them in their walk with the Lord. Our desire is for this retreat to renew their spirits, strengthen their faith, and raise up new, younger leaders to carry on God's work in churches throughout Peru. These leaders serve faithfully in remote, river communities with very little support (we strive to provide some assistance in this regard). Your prayers, our visits, Wilson's frequent phone calls, the conferences, the seminary modules, and this retreat are what help them persevere! THANK YOU for your partnership and for trusting in God, alongside us, to help these leaders grow in the Lord, be built up, and continue preaching the Gospel of Jesus Christ in their communities.

With all our love and hugs, Wilson and Lori
